Nicola Booth, Headteacher, Gwladys Street Primary and Nursery School, Liverpool

# Key Facts

# Teach Active

Maths & English

Featured in the Parliamentary Review for its outstanding contribution to education.

*The Parliamentary Review*

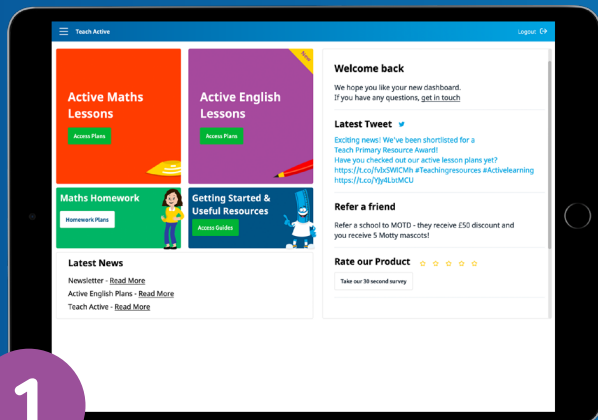

- Teach Active are a national organisation that have been supporting schools across the UK and Internationally for the past 4 years.
- Endorsed, approved and recognised as the active learning arm of the national charity and government advisers the Youth Sport Trust.
- Research led approach with a board of consultants who specialise in active learning, Maths and English.
- High quality plans and resources written by educational professionals – aligned to national expectations and national curriculum objectives.
- Designed to make Maths and English lessons more active – with a clear emphasis on learning and helping to raise standards in your school.
- Working with physical activity, English and Maths consultants, we ensure our resource supports key messages, Ofsted findings and our analysis of SATs papers and national issues.
- With such a huge emphasis on the importance of making the school day more active, we allow schools to make this change in a quality and sustainable way, supporting teachers with their quality teaching and providing opportunities for outstanding learning.

“Through its innovative approach, Teach Active allows teachers and leaders to put activity as the driving force behind the learning of mathematics and English. We are proud to endorse, proud to champion and we continue to be proud to work with the Teach Active team.”

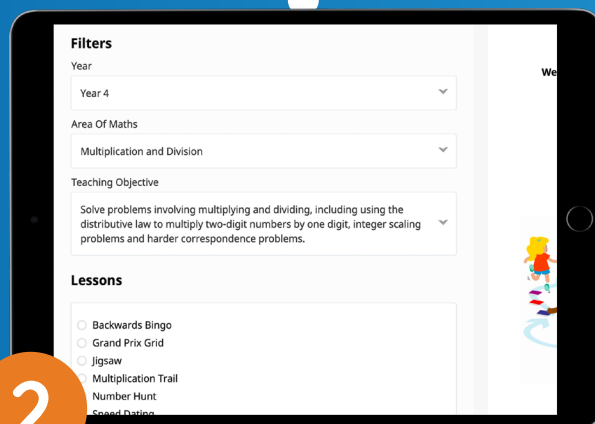

Ali Oliver, CEO, Youth Sport Trust
